Looking for an oceanfront getaway? Look no further, we have you covered. The beach is literally out the front! Take a dip, have a surf, bake in the sun, pop a line in or just watch the waves come in one after another – It never gets old! The unit is upstairs, open-plan and come equipped with BIRs in all bedrooms. The balconies off the unit boasts water views and are in pole position to take full advantage of the summer afternoon north-easterly breeze.
