One of Newport's finest single level townhouses, the fabulous indoor spaces of this single level residence are matched by the family friendly size of its outdoor backdrop. The combination performs beautifully in a setting offering exceptional lifestyle appeal moments from Newport Lakes Park. Timber floors, flawless presentation and a significant sense of style complement living/dining areas that make the most of their outdoor accompaniment with an abundance of land, while the kitchen's marble surfaces add a designer edge to its contemporary efficiency. Three bedrooms, all with built-in robes, a central bathroom and the main bedroom's ensuite reflect the allure of the accommodation while zoned heating/refrigerated cooling guarantees constant comfort. Double glazing, intercom, alarm and lockup carport further enhance a single level success story.
