Wake up to glorious sunrises and enjoy easy, peaceful living in this three-bedroom townhouse on the Northern ridge. The top level of the home features generous open plan kitchen, living and dining and offers a gorgeous, homely feel. Soak in the views from the elevated deck with a morning cuppa in hand, while the split system A/C inside provides year-round comfort. Downstairs, all three bedrooms boast built-in robes and are serviced by a family bathroom with separate loo. The separate laundry also provides access to the large yard - unique for a townhouse like this and offers a fantastic space for kids to play or the green-thumb to potter. Excellently presented, an inspection of this wonderful home will impress. Contact Troy and Jack from Elders Alstonville to arrange your viewing today!
