If that is true, then this impeccably presented and beautifully finished town home occupies arguably one of the best positions a property in this sought after area can offer. A hotel-style master bedroom on this level includes a walk-in robe and en-suite with twin stone topped vanity and magnificent floor-to-ceiling tiles, while a matching powder room provides added convenience. Upstairs bedrooms with robes and split-system heating/cooling provide additional accommodation and all enjoy proximity to a versatile retreat/study area, private balcony and contemporary main bathroom with stone finishes and floor-to-ceiling tiles. A stunning tapestry of layered outdoor entertaining decks highlights a flourishing private backyard with landscaped gardens and an impressive aspect overlooking parklands at the rear.
