Positioned at the narrowest point between the river and sea in North Fremantle is this high spec apartment in a small bespoke building. You'll be walking to Rocky Bay or Leighton Beach and enjoying all the amenity North Fremantle has to offer - trendy bars and restaurants, great coffee and much more from your new apartment. Demonstrating new age living and designed from the pens of North Freo locals - Keen Architecture, every little detail has been carefully considered with the flow of natural light and the fresh North Freo breeze through to the materials used for construction. Featuring modern architectural and interior designs, the design of the apartments captures the essence of North Fremantle's humble origins with exposed red brick, steel & concrete. The apartment is generous in size and are big on living with a natural flow from the kitchen, through the dining, living out to the balcony maximizing your lines of sight. Each apartment has 2 big bedrooms, complete with built in robes and 2 generous bathrooms. Timber flooring in the living, carpets in the bedrooms and a kitchen any chef would envy - high quality, Miele appliances, big stone benchtops and a breakfast bar at the island bench. A genuine opportunity to secure a quality property in a quality location. Contact the Agent - Nick Holt - for your inspection now. Strata rates: \$1,133 per quarter
