Less than 100 metres to the beach amidst a fine selection of cafes, restaurants and shopping. With great views of the sea & harbour, this amazingly quiet apartment has two bedrooms and a huge open plan space with a warehouse feel to it. With an arched ceiling made of huge recycled timbers and windows that take in the views but still maintain the privacy, this is a very inviting and enjoyable space. Includes a soundproof concrete floor to block out sounds from the neighbours. With good access, car park for one car and a generous veranda, this is the no work, walk everywhere city apartment at the beach in Apollo Bay
