Setting the standard for coastal living highlighting picturesque, inviting outdoor entertaining spaces. Charming interior design creates a warm and relaxed atmosphere with rather quirky features which will definitely capture your interest. Bright and sunny vibrant kitchen living areas on ground floor capture north facing sensational sunshine and bright natural light, a refreshing easy flow design onto beautiful private decks and sundrenched gardens. Well thought-out bedroom and bathroom on ground level present convention options complimenting two additional light filled bedrooms and bathrooms on first floor level. This stylish home seems safe and secure, easy lock-up and leave, will suit an array of lifestyle buyers. Portarlington township is transitioning to present more cosmopolitan, with planned new shops, an exciting traditional delicatessen soon to open, Strand Art Boutique Gallery continually surprising us with their unique artwork styles and beauty. Current and new businesses in town are inviting and refreshing, our Portarlington Grant Hotel is an award-winning business which we are all incredibly proud of. Younger families are moving to our community, adding to the absolute essential diversity required in a transforming town. Docklands ferry has created an opportunity for families to live in a quaint clean coastal township yet still have the advantage of easy access to Melbourne and all it has to offer. Portarlington has many community clubs which welcome your involvement and grow from your input. Private Inspections Welcomed - 7 days a week
