A rare opportunity to fully immerse yourself into the laid-back, coastal lifestyle of Forster is here for the taking. Savvy investors will love the lock-and-leave, low-maintenance appeal of this single-bed unit, conveniently located to everything people love about Forster! Located in a tightly held complex and coming with its own carport, this secure place to call home impresses from the minute you open the front door. The crisp, modern aesthetic is anchored by timber-look flooring and an abundance of natural light, with crisp, neutral tones forming a blank canvas for your interior design talents. The open-plan living and dining area is air-conditioned for comfort. It adjoins the kitchen, which has ample cabinetry and workspace, presented in a functional and contemporary manner. The single large bedroom is spacious in size, with a soft blue timber wall and direct access to the bathroom, which has a shower, vanity and toilet. Location is paramount to the attraction of this home. Wallis Lake flows past just the other side of Little Street, and you're only moments away from the centre of town. This places shops, restaurants, and all amenities within easy reach. It's not a far drive to the magnificent beaches our area is famous for, and the golf course is nearby too! Any questions? The JKL team would love to answer them! Please get in touch today.
