Right on the beach this 2 storey townhouse has 3 bedrooms and a study that can easily become a 4th bedroom. 2 bathrooms each with a separate bath and shower. The ground floor has study and 2 bedrooms, a bathroom and toilet laundry and large living area. The double garage has a secured door that leads into the main entry and an area for a work bench. The back yard has artificial grass and room for extra parking. The second floor has the main bedroom a large walkthrough robe and a bathroom. The toilet can be accessed from either the bathroom or the living area. The kitchen is also upstairs and features a large walk in pantry plus plenty of cupboard space. The large dining/living area leads to a balcony that overlooks the ocean. A spiral staircase takes you from the balcony to the terraced roof with stunning ocean views. The property has no strata fees.
