Downsizers and first home buyers will love this one. A sweet 2-bedroom retreat gives you single level convenience, gorgeous natural light and a cute pocket garden for that little patch of greenery to call your own. Tucked away at the back of a 4-unit estate with its own garage. Freshly painted with updated kitchen appliances so you can move in and start enjoying the quiet life close to IGA, tennis clubs and the Damper Creek Reserve. A private porch entry makes for a nice welcome home, with living space to the right and bedrooms to the left in the classic easy living floor plan. The north facing kitchen and meals area is bright and inviting and gives you easy access across to the grassed courtyard and its little deck – fully fenced for those with a little dog. What a lovely setting at the top of a tree-lined driveway, as a superb start or a smart downsize close to all of Mount Waverley's beautiful parkland, golfing, tennis and shopping at Pinewood, Chadstone and The Glen.
