\$600 pw

Loved for its spacious design and lifestyle location, this single level unit provides the perfect setting for young families or downsizers with peaceful placement at the rear of only three and walking access to Eastland Shopping Centre. Bound to impress from the moment you enter, the unit's generous spaces start with a welcoming lounge room that's comforted by carpet and complemented by a bay window where you can look out and see guests arriving. The kitchen and dining zone provide an open plan essence that's incredibly spacious and equipped with a Chef oven and gas stove, dishwasher, breakfast bench and corner pantry, while sliding doors open onto a paved courtyard where you can dine with friends in the fresh air. Three robed bedrooms accommodate the family and include a huge master bedroom with walk-in-robe and 2-way ensuite effect access to the family bathroom, accompanied by a separate toilet. Furthermore, the unit benefits from a full-sized laundry, ducted heating, split system air conditioning, decorative cornices plus the rare offering of a double garage. Brilliantly poised only moments from Eastland Shopping Centre, Costco, Ringwood Station, Mullum Primary, Norwood Secondary, Tintern Grammar, Aquinas College, Mullum Mullum Creek Trail plus Eastlink.
