Step into the garden, open up to the style, make your presence felt in this eye-catching streetfront unit! Big on presence, high on style and out in front of a boutique unit group, this streetfront home stretches out with gardens for kids and pets outside, fresh new style inside, and Bayside lifestyle extras all around! Designed to maximise views and access to a securely-fenced, lushly lawned garden, this rendered and renovated home shines with expansive open-plan living-dining wrapping around to a well-appointed Bosch appliance kitchen (with gas-cooktop and compact dishwasher), while genuine double bedrooms including a master with its own garden view. Styled with a wall of custom library and media shelving for the living zone, a sizeable and stylish bathroom with separate WC, and a large European laundry, this reverse-cycle air-conditioned unit is freshly painted, new polished ...and perfect to rent or enjoy. Featuring hard-wearing polished-boards throughout, this quality home has airy timber venetians for every window, and great storage including built-in robes and a tall linen press. Even the outdoors are big on appeal with an additional rear courtyard (big enough to fit the BBQ), and two carspaces on-title; one with a secure storage shed. Equally accessible to Highett's café society and Southland's retail therapy (and their stations), this up-front unit serves up an active Bayside life with Highett Tennis Club almost over the back fence, the playground at Eddie Reserve within a skip, and child-care and playcentres within a toddle. There's even big brand supermarket shopping within a 250m dash!
