Perfectly designed for empty nesters with a focus on large single level living and easy access both inside and out, it's the blend of fashionable style and impressive lifestyle convenience that makes this three bedroom, two bathroom home shine. Enjoying a secluded position at the rear of three, the interiors are awash with an abundance of northern sunshine, reflecting off richly polished timber floors. With a crackling gas log fire as a welcoming centrepiece, the expansive lounge room sits open with the similarly generous dining room. Dressed in stone and featuring quality stainless steel appliances, the kitchen is filled with natural light. Alongside, the glazing retracts to reveal a north-facing under-cover alfresco that is ideal for entertaining all year round. The master bedroom with walk-in robe and stone ensuite sits in a separate wing from the other bedrooms and bathroom. Just around the corner from Heatherdale train station and Eastlink, walk with ease to Antonio Park Primary School, Costco and Eastland.* A single level design with outstanding accessibility* North-facing rear ensures plenty of natural light during the day* Generous dimensions throughout* Ducted heating/air-conditioning* Double auto garage* Walk to the train station* Close to parks, schools, Eastland and Eastlink Terms: 10% deposit, balance 30/45/60 days
