Be pleasantly surprised as soon as you open the door to this perfectly renovated upstairs 1 bedroom unit, just a short stroll to the waterfront, and miles of walking paths! The great size open plan living area is air conditioned, and there are beautiful timber look floors throughout, from here you would never know it was only 1 bedroom. The modern kitchen has plenty of bench space with room for a breakfast bar and open fridge area, yes, your large fridge will fit! The bedroom is also well-appointed and has a large built-in robe. The updated bathroom has a walk-in shower, and separate toilet. The laundry is also conveniently located here, and it's very tastefully updated. There is also a private balcony, perfect for the morning cuppa, and the extra-long garage is big enough for 2 smaller cars tandem style, or also great for storage! Send through an enquiry to set an inspection time, or for more information. Applications are welcome at any time via Ignite.
