Sensationally-sized and located, this single-level unit in leafy Harrison Street supplies superb low maintenance living that is big on space and convenience. Step inside and you will be struck by the scale and spotless nature of the home, which has exciting scope for you to personalise and make it your own. The inviting lounge and separate-adjointing dining room boast house-like proportions, providing plenty of space to unwind or get together with loved ones. The central family meals area is another great room to gather, and is overlooked by a fully equipped kitchen with a double-door pantry and breakfast bar. A sliding door from here opens to a sunbathed breakfast deck and a delightful garden-framed courtyard that culminates in a large, paved entertaining area. For a comfortable night's rest, there are three robed bedrooms with ceiling fans. The front bedroom boasts a walk-in wardrobe and a bright skylight-lit ensuite. The remaining rooms share the use of a traditional family bathroom and a separate toilet. Further features that complement the home include a full-size laundry, lavish amounts of storage, ducted heating, air conditioning and a remote double garage. Located for lifestyle, it is a short walk to bus services, Halliday Park, trails, Whitehorse Road shops and eateries, Mitcham Train Station, Mitcham Primary School and Mullauna College. Only a few minutes' commute to Eastland, Brand Smart, EastLink and the Eastern freeway.
