This fantastic 2 bedroom home is blessed with an abundance of natural light and views of the city skyline. Amazingly private in a boutique development of only 8, this first floor/top floor residence allows you to have summer drinks on the balcony and to watch the sun set over the city. The generous kitchen with meals area features stone benches, stainless steel appliances and the expansive living area features a gas log fire place, air conditioning and huge windows opening to a broad balcony that really celebrate the views. The spacious master bedroom is fitted with huge robes, whilst the bathroom is a wonderful indulgence with a spa bath and independent shower. This peaceful position also offers wonderful convenience - walk to shops and cafes at Hamilton St or Union Road and the new Union Station.
