Toni Kostas

\$345,000

This 3 bedroom, 3 level townhouse offers so many options. 2 mates or 2 family members can buy this and each enjoy their own private quarters. The 1st person can claim the master retreat on the top level with a massive bedroom featuring soaring cathedral ceilings, walk-in-robe and ensuite with double vanities. The 2nd person is on a winner with the ground floor precinct consisting of 2 generous bedrooms and a great bathroom featuring a bath. From the ground level you'll also have access to the courtyard. When you are in need of a social fix then meet on the middle level for meals and drinks on the balcony from your lofty, high side of the street location. With air-conditioning throughout and cupboards galore, you'll stay cool all year round and feel blessed with so many storage options to accommodate all your bits & bobs! Close to all of Palmerston's shopping Centres and only a 20 minute drive into Darwin's CBD, you'll experience the best of both worlds in this cul-de-sac location. This property is something completely different. You are only limited by your imagination because this townhouse presents multiple opportunities for flexible living. Your new home awaits!
