\$706,000

Eye-catching with inspired design, combining soaring ceilings and clerestory windows to amplify space and light, this beautifully appointed abode stands out. Positioned near a host of amenities, it's the full package for a carefree yet connected lifestyle. Forming the social heart of the home, an open plan kitchen, meals and family domain highlights a waterfall stone island and range of stainless steel appliances. Nestled between a customised covered entertaining area, hosting bench seating on two sides, and long side courtyard with deck, it's got spaces for the whole family to enjoy. Each bedroom includes a built-in or walk-in robe, while the fully tiled modern bathroom highlights a rainfall shower and bath, complemented by a separate laundry. Finishing touches include warming chestnut floors, heating and air conditioning to bedrooms and living spaces and a direct entry automatic garage. Everything from Centreway shops to transport, schools, parks, Calder Freeway and Ring Road access is nearby. Renowned Penleigh & Essendon Grammar is notably close, and the address is zoned to Keilor Heights Primary and Essendon Keilor College.
