Tucked away in a quiet little street just behind Moore Park Road, in easy reach of all the fun of bustling Oxford St without any of the noise! Located on the first floor of a popular character block of only 14 apartments, this property is in excellent condition with a neat, clean gas kitchen and bathroom, spacious living room with leafy outlooks, large bedroom and easy on-street parking. Spotlessly presented, with the stylish touch of floating timber floors. We Love:- The close proximity to Centennial Park (walking distance)- The great natural light- Huge bedroom with built in wardrobe- The whisper quiet location Plus:- Modern timber flooring- Well maintained grounds with secure access- Beautiful breeze through the large windows- So close to the heart of Paddington & Woollahra- Walking distance to public transport
