Merri Northcote - Now Under Construction. Visit the Display Suite - 2 High Street Close, Northcote. Located in the Central building and only a stone's throw to the creek, this apartment presents the perfect opportunity to become part of this highly sought after community. Open pathways from Walker Street provide vistas through the buildings and open onto sunny piazzas with eucalyptus trees, leading down towards bushland and water. The dedicated rooftop garden with this creek fronting building enjoy sweeping views of the nearby creek, tree tops and the city beyond, with comfortable spaces fitted with shade structures and a garden experience interspersed with pockets of seating and outdoor dining. The accompanying planting design will match that of the Merri Creek below, providing a private place of refuge and space where local birdlife is encouraged to visit.
