\$535,000

A wonderful opportunity to purchase an investment or live in property so close to the Town Centre with an amazing level of privacy. Set to the rear of a group of 4 freestanding villas, the home offers 2 generous sized bedrooms, central bathroom, kitchen with adjoining space for meals and a light filled living area which opens onto a private East facing garden. The property has its own carport and is only a short level walk to most of what this delightful community and Town Centre has to offer.
