The presence of upstairs and downstairs living areas reflects the clever thinking that's evident throughout the dimensions of this inviting townhouse residence, where low-maintenance ease has a luxurious edge. An alluring look and welcoming mood define the dedicated entrance hall that leads to the ground level living/dining domain accompanied by an impressive granite kitchen and a courtyard of pleasing proportions. The flexible second living space shares its upstairs spaces floor with 3 bedrooms, all with built-in robes, including a main bedroom featuring a beautiful balcony retreat. The central bathroom's separate bath and shower confirm the quality of a design that's completed by a downstairs laundry and separate powder room. Secure garage plus parking. Ideal proximity to Highpoint shop and services, Maribyrnong Aquatic Centre, tram routes and the Maribyrnong College campus.
