Nestled in the vibrant heart of Subiaco, 3/2 Court Place emerges as a beacon of urban sophistication, an executive, inner city townhouse that marries industrial chic with serene comfort. Here, expansive steel-framed windows flood the space with light, creating a bright and breezy ambiance that brings the outside world into this Brian Klopper designed sanctuary. This unique property is more than a residence—it's a statement of style and individuality, crafted for the discerning inner-city professional or the astute investor. From the sleek, wood-look flooring to the fully renovated modern kitchen, every inch of this townhouse speaks to its meticulous attention to detail and design prowess. The living spaces are designed with an eye for both form and function, blending a chic aesthetic with practicality. The layout features a fluid open-plan living, dining, and kitchen area, with access to the outdoors either side of the building. Ascend to the upstairs bedroom and find a tranquil retreat that maximises the infusion of natural light and offers serene escape from the vibrant surrounds. The chic bathroom combines style with functionality, completing the picture of modern urban living. Outdoor spaces are thoughtfully crafted to enhance this home's ambiance. The front courtyard offers secure, lockable off-street parking or additional storage, making it a perfect spot to make your own. Meanwhile, the private rear courtyard stands as an enviable entertaining space, sure to be the envy of the neighbours. Positioned on the northern fringe of Subiaco, this townhouse offers seamless connectivity to the bustling city centre, pristine beaches, and major freeways. The proximity to Mueller Park, local culinary and shopping destinations, and a selection of prestigious schools places the best of Subiaco at your doorstep. Indulge in a lifestyle of extraordinary luxury and unique character at 3/2 Court Place. With its prime location and impeccable design, this property isn't just another townhouse—it's your new lifestyle choice in the heart of Subiaco.
