This stylish townhouse is in immaculate condition and offers a haven of modern comfort in a quiet and private complex of only four. Presenting a contemporary floor plan over two generous levels, the home is perfect for many family setups. Indoor-outdoor living is a design feature celebrated by the radiant open-plan living domain on the ground floor which showcases a beautifully sunlit living area with striking floorboards. Extending out to a large covered decking zone and luscious courtyard garden, this space is ready-made for entertaining or basking in the sunshine. The elegant kitchen overlooking the large meals area is complete with stainless steel cooking appliances and a dishwasher along with plenty of surface space to nurture your inner MasterChef when inspiration strikes, whilst the breakfast bar is perfect for that morning rush. Upstairs is perfectly zoned for privacy with two generous-sized bedrooms and a deluxe main bathroom along with a second living zone or a quiet study area; a must-have asset for any working-from-home days on the horizon. The master bedroom can be found on the ground floor and is enhanced by a walk-in robe and full ensuite. Further highlights include 2 split system air-conditioners, gas ducted heating, large laundry with adjoining powder room, security doors, under stair storage and double remote garage with internal access. Nestled close to everything that Bayswater and Knox have to offer including an array of schools, parklands, shopping precincts and eateries, the home offers a magnificent and ultra-convenient lifestyle opportunity.
