Auction

Bigger and brighter than its address suggests, this expansive two bedroom unit boasts house-like proportions and sizeable rear gardens that pets, and green thumbs are going to love. A modern renovation executed in a sophisticated palette of neutral tones showcases a surprisingly spacious layout, where exceedingly comfortable living and dining flows through to a streamlined Bosch appointed designer kitchen. Private gardens offer plenty of space to entertain alfresco and the privately zoned double bedrooms with robes share an on-trend modern bathroom with chrome trims. With features including a separate laundry, ducted heating, air-conditioner, ceiling fans and a garage, this surprisingly spacious home sits in a quiet community minded complex near East Ringwood Reserve, Ringwood East Station, the Mullum Mullum Creek Trail, Maroondah Hospital, Railway Avenue shopping and cafés, Eastland, Ringwood Lake Park and quality schools. The ideal first home, investment or downsizer opportunity, inspection will impress.
