This unique and exclusive, three bedroom executive townhouse is a Cera Stribley designed architectural masterpiece, sparing no expense over four elevator-connected levels of pure luxury. Under soaring ceilings, a vast, gourmet, Gaggenau-equipped and marble-topped kitchen / dining / living with a Billie hot/cold tap flows seamlessly to a private paved courtyard, while an upstairs living room serves well as a teen retreat. The main bedroom is a remarkable, top-floor indulgence with a dressing room and a marble-topped ensuite, while secure basement parking for two vehicles is an added bonus accessed via Askin Street, plus there is a visually striking Copper front door, secure video entry, electronic blinds and premium Duravit wcs.
