Discover the charm of this centrally located two-bedroom townhouse in the heart of Sussex Inlet! Boasting an open-plan layout, the living area, kitchen and bathroom are on the ground floor while the two bedrooms with built-in robes are nestled upstairs, complemented by a versatile loft space perfect for a home office. The laundry facilities are shared between two homes. This complex comprises eight townhouses, each featuring an off-street parking spot. Additionally, residents can enjoy the convenience of a communal jetty situated just in front of the Swordfish Brewery. An attractive and affordable option, this townhouse is ideal for those seeking a low-maintenance weekend retreat or a comfortable permanent residence. In the current rental market, it has the potential to achieve \$320 per week. Don't miss the opportunity to make this versatile property your own!
