Introducing this inviting 3-bedroom villa that effortlessly combines comfort and convenience. Step inside and discover a residence thoughtfully designed for modern and easy living. Be embraced by generously proportioned interiors including the open-plan living and dining areas and large picture windows framing streetscape and rear yard views. Floating floorboards that extend through the living, dining, and hallway areas make for versatile and functional living and carpeted bedrooms, all with built in robes offer ample storage space and a comfortable retreat. The spacious kitchen offers rear yard views, and also cleverly includes a hidden laundry area, complete with space for a washer and dryer. Parking is a breeze with a covered carport space located at the entrance of the property and designed to comfortably fit one car. • 3 bedrooms with built in robes • Spacious kitchen with hidden laundry • Main bathroom with bathtub • Dimmable led downlights • Floating floorboards in living, dining, and hallway areas • Front balcony/porch • Rear courtyard with deck area • Undercover carpark space for one car • Close proximity to Mittagong town centre and the freeway to Sydney With close proximity to Mittagong town centre and the freeway to Sydney this villa offers a comfortable home and a convenient lifestyle, an investment opportunity, or entry into the market for first home buyers.
