Awaken to the sound of birdsong in this charming one-bedroom, one-bathroom cottage, perfectly situated on a low-maintenance allotment of approximately 343 sq.m., minutes from Beechworth Historic Park. This cedar home radiates warmth, featuring a light-filled open-plan living area enhanced by reverse-cycle air-conditioning and ceiling fans. The well-equipped kitchenette houses an electric cooktop, dishwasher, and stylish pressed metal. Within the open-plan space, the dining and lounge area features an inviting open fireplace, complemented by dado boards and high-pitched pine-lined ceilings. The generously sized queen-sized bedroom offers built-in storage for added convenience. The bathroom is a standout feature, showcasing a spa bath, walk-in shower, and toilet. Step outside to your private undercover veranda, where lush gardens provide a serene outdoor retreat. Additional amenities include an electric hot water service and carport, making this cottage an ideal investment opportunity or a perfect home for those seeking low-maintenance living in the historic town of Beechworth. Currently run as holiday accommodation, it is one of the most loved homes on Airbnb!
