This three bedroom unit is in such a convenient location, with a great open floor plan. Nestled in one of Clontarf's more popular streets this fantastic unit is a mere 250m to the waterfront. With Pelican Park just down the road and walking tracks so close by there is no need for excuses to go for a walk. The property features: 3 Good sized bedrooms, all with built in robes & ceiling fans. 1 Bathroom with modern features. Polished timber floors. Spacious kitchen with plenty of storage. Large family area. The top floor unit is complemented with windows on all sides so accessing those breezes and light throughout the year are just a pleasure. The units all occupy their own private spacious separate garden. Big enough to host gatherings, your own herb garden or make it just something that you can relax in. Another great space which isn't usually on offer for top floor units owners. Currently tenanted til mid June at \$465 per week, this ideal unit could be your next investment or a great place to move into mid year. Book your inspection now.
