EXPRESSIONS OF INTEREST CLOSING TUESDAY 5TH DECEMBER AT 5PM Elegantly appointed with lustrous polished floorboards, sleek stone surfaces and 900mm appliances, this three bedroom, two bathroom, contemporary residence is a cut above the typical townhouse. Spacious design highlights a kitchen/dining/family, where a dishwasher and canopy rangehood complement the wide cooking appliances. A sliding glass door accesses a north-easterly courtyard, well suited to alfresco dining. Double bedrooms come with BIRs/a WIR, plus there's a study nook. An ensuite, family bathroom, separate toilet on each storey, heating/air conditioning in all bedrooms and living spaces, security features, ducted vacuum and direct entry automatic double garage also feature. A stroll to transport, schools, Moonee Ponds Creek Trail and sporting facilities, only a short drive to shops and handy CityLink access, it's completed by appealing Strathmore College zoning.
