Settled alongside the peaceful Kananook Creek and only steps from the shore, this beachside haven offers a picturesque lifestyle to love. Step through into a warm and welcoming coastal-inspired abode that boasts a spacious open-plan living & dining area adjoining a well equipped kitchen featuring a large breakfast bar. Upstairs, two generous bedrooms each offer a built in robe and enjoy access to a peaceful balcony overlooking the treetops. Furthermore, a sparkling central bathroom services the home superbly. This outstanding opportunity is made complete by a huge laundry, additional powder room, ample storage throughout, reverse cycle heating & cooling, plus a secure off street carpace & additional visitor parking. A communal area at rear of the property has direct creek access, the perfect place to relax and unwind. Ideally located across from one of the best beaches in the Bay, this relaxed coastal sanctuary is also conveniently close to the local Seaford shops, Kananook Train Station, reserves, and schools, along with easy freeway access and Frankston CBD just moments away.
