So beautifully quiet yet quite literally, only a few minutes walk from every Ashburton amenity, this cleverly crafted executive townhouse's stylish three bedroom plus study floorplan offers busy modern families a uniquely generous and perfectly private low maintenance environment with sensational convenience on Ashburton Village's doorstep. Near Victory Boulevard's corner, tucked away at the rear in a boutique court arranged group of four, gloriously light filled spaces are enhanced by two leafy outdoor domains and the immediately discernible quality of high ceilings, moulded cornices, polished timber floors and fine stone finishes throughout. Behind a flowering entry courtyard, a northern living room and study accompany an inviting open plan living/ dining domain with smart Blanco appointed kitchen before opening to a wisteria clad alfresco deck amid a surrounding courtyard garden. Upstairs, three double bedrooms, all with built in robes share a full family bathroom with independent shower and bath, the main with walk in robe and ensuite. Additional highlights include a downstairs powder room, under stair storage, video intercom entry, ducted heating, reverse cycle cooling, oversized remote garage and off street parking. Short walk to Ashburton Primary School, Pool and Recreation Centre, Ashburton Station and the list goes on.
