Perfect for those looking to enter the market or perhaps downsizing from a larger home, this spacious two bedroom villa is the perfect combination of peace and quiet along with handy access to the city centre. Located at the rear of a quiet complex of five, the home also suits those with limited mobility being flat with no steps. The sun filled lounge room is more than generous in size and is air conditioned for the warm summer days. The modern kitchen offers ample storage and bench space and is complete with a dishwasher. Both bedrooms are spacious and feature built in cupboards, the main is air conditioned the bathroom is conveniently between the bedrooms. The indoor/outdoor flow is exceptional, the real highlight must be the full length, covered alfresco area, capturing the cooling breezes - the perfect place to entertain. Neat as a pin both inside and out, there is simply nothing to do but unpack your bags and relax. This striking property is sure to be popular and one to put on your list.
