Step inside this modern, well-appointed townhouse that offers a perfect blend of style and convenience. This residence boasts a cleverly designed floor plan that seamlessly integrates three cosy bedrooms with a spacious open plan living, dining, and kitchen area, creating an inviting atmosphere for relaxation and entertainment. Contemporary living is epitomised in the kitchen, where stainless steel appliances, including a 900mm gas cooktop, under-bench oven, and dishwasher, meet chic aesthetics and functionality. The ground floor also features a versatile space that can serve as a separate formal sitting area or a home office, catering to the needs of professionals or as a quiet retreat from the bustling communal zones. Each of the three bedrooms is fitted with built-in robes, with the master bedroom benefiting from the convenience of an ensuite, ensuring privacy and comfort. The family bathroom complements the ensuite, while a European laundry and a discreet powder room add to the practicality of the townhouse. Comfort is a year-round affair with the inclusion of split system heating/cooling, ensuring the indoor climate is always to your liking. Parking is made easy with a single lock-up garage equipped with a remote door and internal access, alongside a handy garden shed for additional storage needs. The property's location is just as impressive, with its proximity to local schools, daycares, major links like Peninsula Link and East Link, as well as shopping destinations, public transport, and community sporting clubs. Add the appeal of a small, low-maintenance outdoor area, and this townhouse presents as the ideal abode for those looking to embrace a lifestyle of comfort and convenience.***It is a requirement of entry to all Ray White Frankston Rental Inspections that a valid photo ID is presented to the Leasing Agent.
