A contemporary and low-maintenance home with endless appeal for first homebuyers, investors, and downsizers alike, this new double-storey townhouse nestled at the rear of three on a shared block, promises a lifestyle of ease and sophistication. Modern timber-look flooring and a neutral colour palette combine to create a bright and open atmosphere, where the centrally located open-plan kitchen and dining area set the tone for chic living. The kitchen boasts an island bench, gas cooktop, oven, and in-built dishwasher, while a serene blue feature tile splashback adds a touch of elegance to the space. Downstairs, a generous laundry, and separate powder room provide seamless access to the single-car remote control garage and views of a low-maintenance paved courtyard for added convenience and privacy. Upstairs, two well-appointed bedrooms enjoy natural light and comforts. The master suite comes complete with an ensuite and walk-in robe, while the additional bedroom features an in-built wardrobe and is serviced by a second bathroom with free-standing bathtub and shower. An upstairs study nook is strategically positioned for those working from home, offering a quiet retreat away from the main living zone. The property is equipped with split system heating and cooling, ensuring year-round comfort, complemented by blackout blinds for privacy. The location of this highly appealing townhouse is perfect - just a short walk to central Beaconsfield amenities, St Francis Xavier College, Beaconsfield Primary School, and Beaconsfield Train Station. Seamlessly blending modern aesthetics with practical living, find all the comfort, style, and convenience you need here. Photo I.D required at all inspections.
