Catch a glimpse of the vast entertainer's deck in its peaceful, private courtyard, and you won't be able to deny the enormous appeal of this contemporary, two bedroom home. Set well back from the street, the two storey abode features open plan design flowing to the deck. A suite of stainless steel Blanco appliances meets with generous stone counters in a kitchen that cooks will love. A fitted study nook is a welcome bonus, complementing two double bedrooms with built-in robes. Sparkling and central, the bathroom is complemented by a separate laundry. Heating/air conditioning, polished floorboards and carport parking, right at the door, further appeal. A stroll to transport, popular cafes, local shops, parks and schools, it's placed to please.
