\$1,080,000

Delivering a sophisticated lifestyle opportunity in an unmatched position nestled on the exclusive ocean front of Tura Beach, this beautifully designed contemporary townhouse serves as a stunning setting for relaxed family living and entertaining. A reversed floor plan offers practicality, with a welcoming entrance hall and 2 bedrooms with robes, a study nook and second living area on the ground floor positioned for easy access. A timber stairway then continues up to the heart of the home, where lovely treetop vistas are captured from a north-easterly aspect and a undercover balcony designed to take in the sea breeze with no adjoining neighbours. An ambient living area sets the scene for an organic flow between formal and informal living zones, accompanied by a comprehensive cook's kitchen with stainless steel appliances, while the impressive main bedroom boasts a walk-in robe and lavish spa ensuite. This property also includes a comprehensive laundry, powder room, reverse cycle heating & cooling, a double remote garage, solar power and direct access to the world class golf course and Tura Beach.
