This young premium townhouse offers an easy low maintenance lifestyle and is nestled perfectly in a very convenient location just a walk to Stud Park shopping complex, restaurants and bus hub. Graced by high ceilings and polished timber floorboards the meticulously designed floor plan offers three good size bedrooms, including a downstairs master and two living zones. The open plan design enjoys a bright Northerly aspect in the family living zone and flows seamlessly out to an intimate paved outdoor entertaining area. Two further robed bedrooms are situated upstairs along with a retreat/2nd living area and a modern family bathroom. With the added luxuries of a large double garage with internal access, split-system cooling, a water tank, garden shed, an alarm system and continuous hot water service this home offers so much and delivers even more. If you seek a contemporary dwelling for a new beginning or simply downsizing your search ends here - this young home epitomizes modern and easy living in a very handy location.
