\$480,000 - \$525,000

Expressions of Interest Versatile in its appeal and unrivalled in its convenience, this attractively refreshed unit offers low-maintenance style and simplicity in a prized and peaceful family cul-de-sac. Sharing in the leafy tranquillity of its park-side position, a function-focused interior makes clever use of space, with a bright and substantial living/dining area adjoining a stone-top kitchen boasting a stainless-steel dishwasher, oven, and induction stove. With heat lamps, a shower over bath, and laundry facilities, a modern bathroom services two considerable, robe-lined bedrooms, while other features include reverse-cycle heating/cooling, dark-stained timber floors, an intercom, and private, secure car space. Smartly renovated and primed for instant comfort, it's placed by the quiet expanses of Brady Reserve and the Moonee Ponds Creek Trail beyond, with university, hospital, and city-bound 58 trams, numerous buses, CityLink, and the cafés, bars, and restaurants of Albion Street and Melville Road mere metres away.
