Chic modern interiors add contemporary functionality to the light-filled spaces of this brilliant two bedroom apartment set adjacent Andrew Boyd Reserve and a hop, skip and jump to the Darebin Creek trail. In a low-rise block of only four, this mid-century apartment with its generous proportions and windows on two sides of an impressive living and dining space that takes in northerly views over the gardens, features a cleverly conceived kitchen whose huge breakfast bar is large enough to sit around while keen cooks work their magic in a well-organised space that includes Emilia and DeLonghi appliances. A spacious bathroom with a separate shower and bathtub includes laundry facilities while bedrooms feature as-new carpets and robes. A smart first home or intelligent investment, this “lock and leave” property with secure entry, heating plus a car space presents an outstanding lifestyle near transport, schools and trendy High Street shopping and cafes.
