Hallmarked by its intelligent use of space, abundance of natural light and picture-perfect presentation, this sparkling two-bedroom residence delivers a liberating lifestyle for a host of buyers. Balancing a generous design along with minimal upkeep, this makes the complete perfect home for downsizers or the savvy investor, while a fabulous collection of two spacious bedrooms and a modern bathroom (with a separate toilet) presents an ideal home for the young couple with an eye on the future. The welcoming nature of the open plan kitchen, meals and living zone makes unwinding easy, while those with a desire for entertaining will value the union between the living area and the decked courtyard with pergola. Stainless steel appliances, a tiled splash-back and generous storage space add style and functionality to the brand-new kitchen, while split system heating/cooling delivers all the modern comfort you need. A single lock-up garage also enhances the appeal of this fantastic find that's only a short distance from Reservoir Station, other public transport, Broadway & Edwardes Street shopping/dining, schools, Darebin Creek Reserve and local shopping hubs.
