Expertly styled, exceptionally sun-filled and brilliantly positioned within a walk of it all, this is Highett's best kept boutique secret! Making the most of a secluded north-west rear corner position with a sun-catching wraparound garden, this substantial two bedroom, 1.5 bathroom town residence is sized up in sun-bathed style with open-plan living extending from a state-of-the-art kitchen to a paved entertainer's courtyard benefitting from a tall hedge of olive trees. Designer detailed with a sleek fully-tiled bathroom with underfloor heating and walk-in fluted-glass screened shower and concealed cistern WC (plus a bonus 2nd WC), this stylish single-level home features a vast master bedroom with walk-in robe, and a sizeable second bedroom big enough to fit a home-office area. Quality styled with contemporary benchtops and wide oak floorboards, this centrally-heated home features cooling split-system air-conditioning plus airy ceiling fans, and quality window-furnishings including block-out blinds. Even the car accommodation goes above and beyond with easy access to the tall auto-garage from a wide turning-circle drive! Start with a brilliant beach-side Highett lifestyle. Invest in fully-renovated style. Empty-nest amongst the best in this well-groomed group of just four. Find your future just two blocks to Highett Rd's shopping strip and station with new celebrity restaurants and established local-favourite cafes within a stroll, Southland just one stop down the line, and the CBD within a direct commute.
