Providing a free-flowing open plan layout and flushed with natural light, this sparkling unit is ready and waiting for young buyers and empty-nesters to enjoy. Peacefully located with its own frontage off St Johns Wood Road, the smartly-updated home opens to reveal a spacious living room that connects seamlessly with the dining area. The wonderfully renovated kitchen boasts quality appliances and offers a relaxed breakfast bar, whilst an adjacent family laundry offers easy access out to the low maintenance rear courtyard. Located downstairs you will find a large open studio equipped with a private bathroom and toilet. Robes star in both of the well-sized bedrooms which share the recently renovated bathroom, whilst finalising the package are a split system heating/cooling, central heating plus a remote lock-up garage and additional parking space. Quiet & inviting, this pristine setting boasts a position moments from Damper Creek Reserve, Mt Waverley SC catchment and within easy reach of both Hamilton Place shops and Mt Waverley station & buses nearby are yet another drawcard. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
