This classy unit sits in a sought-after inner Castlemaine pocket, strolling distance to the shops, eateries and The Theatre Royal. Lifestyle and investment, tick, tick! Number 3/37 is a rear unit in a small complex of just three well-kept properties. It ticks every box on a wish list for a home of this size; two off street parking spots including a garage with internal access, a sunny, wrap around courtyard space and a host of contemporary amenities within. Simply put, move straight in and enjoy. In beautiful condition, the two-bedroom residence is warm and inviting thanks to its timber floorboards, neutral white walls and neat tile work in the wet areas. A wide entrance way opens to the generous kitchen, dining and living space where the first of two split systems keeps the home comfortable. Large windows welcome in the sunshine and glass sliding doors by the dining area access the tiled, undercover alfresco for entertaining and relaxation. The u-shaped, updated kitchen is lovely with laminate surfaces, banks of cupboard and pot drawers, a well positioned wall oven, gas cooktop and breakfast bar for informal dining. A central bathroom, also in neutral tones, with a bath and separate shower services the two robed bedrooms. A laundry with external access completes the floorplan. Enjoy secure, low maintenance living with the easy lock up and go option at this stellar address. Downsizers, investors and first home buyers, an inspection is a must.
