\$650,500

Sunlit with an open living area, is this two bedroom villa unit with attractive spaces and desirable low maintenance requirements. Welcoming from first glance, with generous glazing creating great first impressions, the home opens into a family, meals and kitchen. A sliding door leads to the elegant courtyard, where there's room to dine alfresco and nothing to demand large amounts of your leisure time on upkeep. The kitchen is full of stainless steel appliances ranging from a gas cooktop to a fan forced electric oven, canopy rangehood and two drawer dishwasher. Relaxing bedrooms with built-in robes share a central bathroom, where you'll find a shower, separate bath, toilet and vanity. Heating/air conditioning, a laundry and direct entry automatic garage also feature, adding comfort and convenience. One of only three homes on a boutique block, it's a stroll to transport and parks and also finds schools, buzzing Keilor Road, popular Essendon Fields shops and handy freeway access nearby.
