Fusing contemporary design with carefree liveability, this multi-level townhouse defines relaxed contemporary living. The perfect sizing for those wanting to maintain space and privacy, you have major amenities close by and schooling, dining and bus all within walking distance. Perfectly designed to provide contemporary appeal, a multi-storey layout produces spacious open-plan living and dining with an abundance of natural light and seamless interaction between indoors and out. Tiled floors flow through to a gleaming modern kitchen, showcasing streamlined joinery, stainless appliances and crisp white stone; the large island including seating and waterfall ends. Two alfresco zones anchor the open-plan layout with options for outdoor dining both front and rear. A covered front balcony enjoys elevated breezes whilst large bi-fold doors stack back to provide superb connection to rear entertaining; decked and covered for all weather enjoyment. Thoughtfully designed for privacy, all three bedrooms sit on the upper level with each including built-in storage. The master has a walk-in robe and ensuite with large dual vanity as well as enjoying the use of a private balcony capturing magnificent horizon views. Floor to ceiling tiling, superb vanity storage and a bathtub feature within a large main bathroom with the tri-level townhouse also providing a powder room, internal laundry, ducted air-conditioning and tandem remote garage. Wonderfully nestled in a leafy street, you can walk to bus, dining and Yeronga State High School with plenty of parkland in between. At the door of major amenities including both the Mater and Greenslopes Hospital precincts, you are also just four kilometres to Southbank and the Brisbane CBD!
