Stunning, well designed townhouses offer an inviting open plan design with living, dining and well appointed kitchen with stainless steel appliances including dishwasher and beautiful stone bench tops. The light filled interiors have been designed to maximise comfortable living with two generous bedrooms, with built in robes, stunning bathroom, and open living space with easy flow through to outdoor private low maintenance landscaped courtyards. Other highlights include secure under cover parking, with direct internal access to your home, timber staircase, engineered timber flooring, split system cooling/ heating to living areas and both bedrooms. Positioned conveniently being only minutes from parks, schools, transport, Freeway access and Campbellfield Plaza. **DISCLAIMER:** This outline specification is subject to change without notice. The developer reserves the right to substitute items with equipment products at any time and to use alternative suppliers other than where specified or to modify the design due to unforeseen structural or design controls.
