\$400,000

Hidden at the rear of a residential block, privacy coupled with outstanding everyday convenience defines this single-level town house residence that's the epitome of low-maintenance living. Generously proportioned open plan living with good heating and cooling options for all year round comfort, two zoned great sized bedrooms with built in robes, central two way bathroom with bath, shower, vanity and a separate toilet, well appointed kitchen of a neutral colour with stainless steel oven, gas hotplates, dishwasher, separate laundry. On an easy-care allotment, single garage plus an additional car space ideal for caravan or trailer, undercover outdoor entertaining, small garden shed. It has all the space you need without the high-maintenance factor. Ideal for those downsizing, first time buyers, or investors searching for a stress free high demand property to lease out.
