This single level home presents an enticing proposition for those new to the market, young families, downsizers or a fabulous investment opportunity. A leisurely stroll away from Highett Village shops, cafes and train, Southland, Turner Road Reserve and Waves Leisure Centre. The thoughtfully designed layout showcases a spacious living room, bathed in soothing, natural northern light that filters in through a big bay window. The strategically located kitchen is fully equipped and features a breakfast bar providing separation from the dining area. Comfortable accommodation with two bedrooms, the main bedroom enjoying the convenience of direct access to a semi-ensuite bathroom, which is shared with the second bedroom. A paved courtyard delivers an ideal setting for alfresco dining and entertaining, while requiring minimal maintenance. Further highlights include ducted heating, ceiling fans, a laundry, a separate toilet and a single-car garage with the added benefit of backyard access. While comfortably appointed, there's also potential for the new owners to add their personal touches and modern updates if so desired to further increase its value and appeal. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
